The California Board of Accountancy (Board), within the Department of Consumer Affairs, is responsible for examining and licensing Certified Public Accountants (CPA) and for enforcing the state laws regulating the practice of public accountancy. The Board is a state regulatory agency and is not part of the American Institute of Certified Public Accountants (AICPA) or any other professional society.

These pages contain the current requirements for Uniform Certified Public Accountant Examination (CPA Exam) applicants planning to take the exam as California candidates.

GENERAL COMPUTER-BASED TESTING (CBT) INFORMATION

The Computer-Based Testing (CBT) format has replaced the paper-and-pencil based CPA Exam. Application final filing dates have been eliminated, allowing applicants meeting all of the educational requirements to apply at any time. For faster application processing, it is recommended that applicants apply on-line at www.dca.ca.gov/cba. However, paper applications may be obtained by writing, telephoning, e-mailing, or sending a facsimile request to the Board office. (See page 17.)

Name and Address Change

The Board must be notified of all name and address changes. Changes may be made online by accessing and modifying Client Account information. Name and address change forms may also be obtained on the Board's Web site at www.dca.ca.gov/cba or by calling the Board's Examination Unit at (916) 561-1703.

Failure to keep name and address information current will result in delays in application processing and grade notification. Additionally, discrepancies in name information will result in denial of admittance to the testing center.

Application Status Check – Online only

Given the high volume of applications received by the Board, application status information is **only** available online. Applicants may check the status of their applications on the Board's Web site.

MEET EDUCATIONAL REQUIREMENTS (Step 1)

Previously submitted official transcript(s) and/or Board-approved foreign academic credentials evaluation(s) remain on file, and do not need to be resubmitted to the Board. Unless previously provided to the Board, applicants must arrange for all official documents detailing completion of all educational requirements to be submitted <u>directly</u> to the Board from the institution or <u>Board-approved</u> foreign credentials evaluation service. Most college and university transcripts only indicate the total transfer units accepted and do not list the titles of the individual courses. Therefore, applicants must ensure that <u>each</u> educational institution attended provides the Board with official transcripts. Transcripts must be mailed to:

California Board of Accountancy Examination Unit 2000 Evergreen Street, Suite 250 Sacramento, CA 95815-3832

Educational documents submitted with the Application Remittance Form and/or with the fee will not be accepted. The Board highly recommends that any additional educational documents be submitted to the Board **prior** to applying for the CPA Exam.

General Education Requirements

Beginning in 2004, applicants will no longer select a Pathway when applying for the examination.

Only when applying for **licensure** in California will applicants select Pathway 1, Pathway 2, or Pathway 0. At that time, applicants must demonstrate they meet the exam education requirements, and meet the licensure education and experience requirements for their chosen Pathway.

EXAMINATION	Pathway 1 & Pathway 2	Pathway 0
Education Requirement	 Baccalaureate degree. 24 semester units of accounting. 24 semester units of business- related subjects. 	Please see P-0 <i>Eligibility Information</i> on page 13.

LICENSURE	Pathway 1	Pathway 2	Pathway 0
Education Requirement	Same as Examination.	 Same as Examination. Plus Overall total of 150 semester hours. 	Same as Examination.
Experience Requirement	Two years of general experience, which may include 500+ attest hours for those who want to sign attest reports.	One year of general experience, which may include 500+ attest hours for those who want to sign attest reports.	24, 36, or 48 months of experience, which includes attest experience.

Transfer of CPA Exam Grades

If an applicant has taken the CPA Exam in another state or jurisdiction and established credit status, it is the applicant's responsibility to have the grades transferred to California. Transferred grades must be mailed directly from the other board to the California Board of Accountancy. The applicant must have met California's educational requirements at the time the applicant initially applied and qualified for the CPA Exam in the other state or other jurisdiction.

CREATE PERSONAL CLIENT ACCOUNT & SUBMIT APPLICATION REMITTANCE FORM (STEPS 2 & 3)

STEP 2

Go online to www.dca.ca.gov/cba and create a Client Account. You will be sent a confirmation e-mail that will provide you with a password. The confirming e-mail will be sent in one to two days. This password will give you further access to your Client Account and enable you to initiate a CPA Exam Application. You must be able to receive this e-mail to continue with the application process. Paper applications will be provided upon request. (See page 17.)

STEP 3

Once you receive the confirmation e-mail and password, you may apply online for the CPA Exam by completing all of the Client Account information and by submitting the Application Remittance Form. Proceed to Step 4. (Applicants may apply at any time.)

Social Security Number Advisory Statement

Applicants are advised that they may take the CPA Exam without providing a U.S. Social Security Number (SSN). However, applicants have the option of providing the Board with their

SSN, which will be included in the Authorization to Test (ATT) request transmitted to NASBA. The SSN will be utilized by NASBA in establishing a national candidate database to ensure the security and integrity of the exam.

An additional fee may be imposed by NASBA for candidates not providing a SSN. For additional information please contact NASBA. (See page 17.)

Pursuant to Section 30 of the Business and Professions Code, prior to the issuance of a **CPA LICENSE**, applicants are required to provide their SSN.

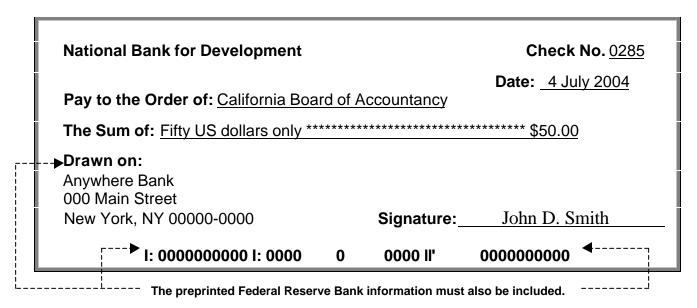

PAYMENT OF FEE TO THE BOARD (STEP 4)

Submit to the Board your signed Application Remittance Form with the reapplication fee (\$50). The Board accepts only checks or money orders drawn on U.S.-affiliated banks. Make checks payable to the California Board of Accountancy. You cannot proceed beyond this step until receiving approval of your application from the Board. Mail usually takes one to three weeks to arrive at the Board, depending upon mail service in the U.S. or mail service from outside the U.S. To expedite delivery, you may wish to use a company that guarantees a delivery date and tracks the item.

Fee Payable to the California Board of Accountancy

Reapplication Fee (non-refundable)\$50 (Applicant who was previously approved to sit for the CPA Exam as a California candidate.)

NOTE: The Board accepts only checks issued by a U.S.-affiliated bank with the Federal Reserve Bank account number printed on the check. The following is an example of an acceptable check.

Returned Checks

If an applicant's check is returned by the bank, the applicant is responsible for the entire Application/Qualification Fee. The fee will be assessed immediately upon discovery of a stop payment or a returned check. In addition, the applicant will be charged a \$10 fee for checks returned due to insufficient funds. Subsequent applications will be rejected and any pending grades will not be released until all fees have been paid in full.

Deficient Applications

Applicants who receive a Deficiency Notice from the Board will have one year from date of notification to correct any deficiencies listed. After one year, the application will be deemed abandoned and the application fee will be forfeited. Applicants who receive a deficiency notice and believe that the deficiency cited was in error should contact the Board's Examination Unit. The most common deficiencies include:

Fee Deficiencies

- Fee not included with the Application Remittance Form.
- Fee amount insufficient.
- Unacceptable check from foreign country.

Educational Deficiencies

- Does not meet educational requirements.
- Degree and/or completed coursework not posted to transcript.
- Transferred courses not individually listed on transcript.
- Missing transcripts transcript not received by the Board.
- Transcript or evaluation included with the Application Remittance Form or mailed to Board by the applicant rather than directly from the educational institution or evaluation service.

SPECIAL ACCOMMODATIONS

Americans with Disabilities Act (ADA)

The California Board of Accountancy does not discriminate on the basis of disability in employment or in the admission and access to its programs and activities. The Board complies with Title II of the Americans with Disabilities Act. The Board may make reasonable accommodations for those who have or require special needs.

CPA Exam applicants who require such accommodations should inform the Board by completing the accommodation section of the Client Account (online), completing the Request for Accommodation of Disabilities Form, and submitting the required documentation.

The Request for Accommodation of Disabilities Form is available online at www.dca.ca.gov/cba or by telephoning the Board office at (916) 561-1703. Applicants requiring reasonable accommodations are encouraged to immediately contact the Board. All requests for accommodations require prior approval. Therefore, all requests must include the required documentation and must be submitted with the Application Remittance Form and payment. Requests for accommodations made at the testing center cannot be granted.

Consideration of Medical Needs

The California Board of Accountancy makes an effort to provide consideration of an applicant's medical needs. CPA Exam applicants, who require special consideration for medical needs such as food, water, medication, or other provisions must complete a Medical Consideration Request Form.

The Medical Consideration Request Form is available online at www.dca.ca.gov/cba or by telephoning the Board office at (916) 561-1703. Applicants requiring consideration of medical needs are encouraged to immediately contact the Board.

All requests for accommodations require prior approval. Therefore, all requests must include the required documentation and must be submitted with the Application Remittance Form and payment. Requests for accommodations made at the testing center cannot be granted.

CPA EXAM SECTION SELECTION (STEP 5)

Upon receipt of notification of approval, you are authorized to go online and select the examination section(s) you will be taking. This initiates an Authorization to Test (ATT) that is transmitted to the National Association of State Boards of Accountancy (NASBA).

Selecting the exam sections is part of the application process. If you do not complete the application process by selecting at least one exam section within one year of the approval date, your application will be considered abandoned, and the fee paid will be forfeited. If your application is abandoned, you must reapply, beginning with Step 3. The reapplication process takes approximately six to eight weeks to complete.

Computer-Based Test Format

The CPA Exam consists of four subjects:

Auditing & Attestation – AUD (4.5 Hours)	Financial Accounting & Reporting – FAR (4 Hours)
Regulation – REG (3 Hours)	Business Environment & Concepts – BEC (2.5 Hours)

For additional information on exam structure and content visit the Uniform CPA Exam Web site at www.cpa-exam.org. The Board does not provide study aids for the computer-based CPA Exam.

STEP 6

Once NASBA accepts the ATT, you will be sent a Payment Coupon that provides you with detailed payment information. The Payment Coupon will be sent by NASBA within approximately seven working days after ATT approval. You will have 90 days from the date NASBA accepts your ATT in which to remit the appropriate payment. If after 90 days, no payment has been received by NASBA, the application is forfeited. Once your application is forfeited, you must reapply.

STEP 7

You will have nine months from the date of the NTS to take the approved section(s) of the examination. If you do not take the approved sections within the allotted time period, all fees paid (to the Board and to NASBA) will be forfeited. Once your fees are forfeited, you must reapply to the Board.
